FENCE SITE PLAN

For City Use Only

FENCE PERMIT # SF- _____

DATE RECEIVED _____

PARCEL ID # _____

A site plan is a drawing of your property showing the property lines and any structures that currently exist on that land and where your proposed fence is to be located. A complete site plan must be submitted with your fence permit application.

***Site plan for a Fence Permit must include the following to be considered complete:**

*ARROW INDICATING NORTH

*PROPERTY PINS LOCATED AND STAKED FOR REVIEW

*ADJACENT STREETS SHOWN

*INDICATE EASEMENTS

*INDICATE DISTANCE OF FENCE FROM PROPERTY LINES

*TYPE OF FENCE MATERIAL

*HEIGHT OF FENCE

(Maximum height for residential fence is 6ft in side and rear yards. Corner lots: street side of fence maximum fence height 42 inches in the corner area 20 feet both directions from the corner property line)
